Reproducibility Café 2 - Reproducibility Management Plans

24 May 2024

Times are in Central European Time (CEST)

14:00-14:05	**Welcome**
14:05-14:20	**Setting the background – Elli Papadopoulou** • About TIER2 and the RMP pilot • Recap of first Repro Café • Overview of Science Europe DDP prototypes
14:20-14:30	**Instructions and available tools for the interactive part**
14:30-15:30	**Breakout Sessions** Each one addressing the three points for discussion: 1. Identify the reproducibility elements in the existing DMP template 2. Provide feedback answering the question: is it sufficient/complete for data? 3. Propose questions that are needed to accommodate reproducibility in different epistemic contexts
15:30-15:50	**Reporting**
15:50-16:00	**Closing and Next Steps**
